

# Saruhashi

## What is Saruhashi?

Saruhashi is famous for its odd structure and it appears in "Koyo-Saruhashi-no-zu" of Hiroshige Utagawa and so on. Saruhashi is one of the three odd bridges in Japan.

## It's rare structure

Saruhashi is not so big bridge, its length is 31m and width is 3.3m, but is being supported by four layers of "splash tree".because valley is so deep.  
(Depth of valley is 31m.)

The boat sight-seeing is an extraordinary experience!

The bridge you see from the surface of river is so beautiful, and the scenery when it is in season of autumnal tints, it is fabulous like a painting. Saruhashi is one of the spots where you should visit when you come to Otsuki.

Otsuki City Station which is impressive of its building like a log-house melt in scenery of station front with much nature. You can access Otsuki from Tokyo in around one hour, but can feel a trip feeling as soon as we got off a train. There is the tourist information center beside the station, and is recommended for search for special product and souvenir.

You can access from an airport to Otsuki easily, and after having enjoyed the city, it is easy to come back to Tokyo, too. If you use a taxi or bus from the station, you can visit the sights of whole city.

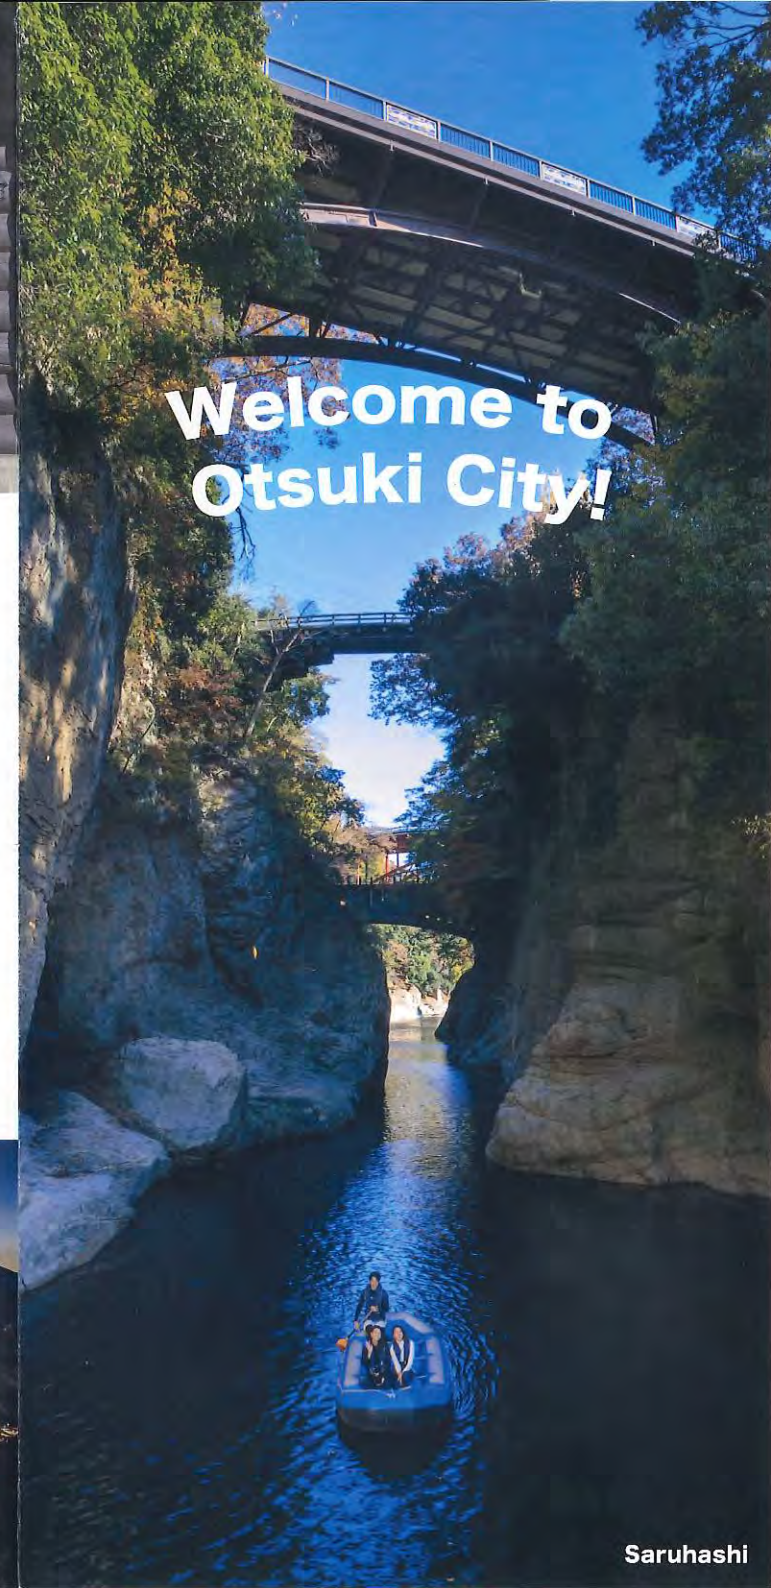

### 【Access from the airport to Shinjuku】

- Narita Express 【Narita Airport Station】 (About 85 minutes) → Shinjuku Station
- Skyliner 【Narita Airport Station】 (about 40 minutes)
- Change to JR Yamanote Line at 【Nippori Station】 (approximately 20 minutes) → Shinjuku Station

### 【Access from Shinjuku to Otsuki Station】

- JR Chuo Line Express 【Shinjuku Station】 (about 60 minutes) → 【Otsuki Station】

The beautiful nature you can access from Tokyo in an hour!!
